Candidates from 41 countries (outside EU) are required to follow the process of « Etudes en France ». More information is available on <https://ecoledesponts.fr/resident-dun-pays-relevant-de-la-procedure-etudes-en-france>

Selection Process

The Admission Committee will examine all fully completed application forms with their supporting documents. Pre-selected candidates will be invited by mail for interview that will be held viaTeams.

All the process (Electronic applications, pre-selection, invitation to interview, final decision) will be managed by e-mail. You are invited to regularly check the spam file of your mailbox to make sure none of our mails landed there.

At the end of this selection process, the Admission Committee will validate the list of candidates to enter the program.

The first sessions are :

Session 1

Deadline for application submission: **25th January 2026**
Interviews: 29th January 2026
Admission jury: 31st January 2026

Session 2

Deadline for application submission: **22nd February 2026**
Interviews: 26th February 2026
Admission jury: 28th February 2026

Admission Confirmation:

In order to confirm their admission to École nationale des ponts et chaussées, successful candidates must follow the following steps:

In case of personal financing:

- Return the vocational training **contract within 30 days**, together with the proof of payment of the deposit of 20% of the training fee.

In case of company financing:

- Return the vocational training **agreement within 30 days** or send a letter of commitment from a company financing the training.

Failure to respect these deadlines results in the loss of the benefit of the selection, to the benefit of another candidate placed on the waiting list.

Tuition Fee

The tuition fee for the 2024/2025 session of executive Master "Management of energy projects" is:

- **15 000 €** if financed by the Applicant
- **16 000 €** if financed by the Employer (supporting partners of the Executive Master: Ashurst, Demeter, EY, Michelin, Orano, Vinci, Vicat)
- **17 000 €** if financed by any other Employer.

These prices are exempt from VAT.

We advise candidates to make sure they have adequate funds to support one year of academic study as well as personal expenses. Average budget for living expenses is 1 290 euros/month ([source UNEF, August 2024](#)).

Please note :

The degree Mastère Spécialisé® (Executive Master) is an institutional degree accredited by the Conférence des Grandes Ecoles. It is not accredited by the French ministry of higher education.

The course is registered with the Répertoire National des Certifications professionnelles (RNCP), title "Directeur de projet en énergie" level 7 ([RNCP38009](#)). It is Datadock listed.

All incomplete application form will be rejected.
