Interviews: **14th April 2022 (9am-2pm)**

Admission jury : **18th April 2022**

Admission Confirmation:

In order to confirm their admission to École des Ponts ParisTech, successful candidates must follow the following steps:

In case of personal financing:

- Return the vocational training **contract**, together with the proof of payment of the deposit of 20% of the training fee.

In case of company financing:

- Return the vocational training **agreement** or send a letter of commitment from a company financing the training.

Failure to respect these deadlines results in the loss of the benefit of the selection, to the benefit of another candidate placed on the waiting list.

Tuition Fee

The tuition fee for the 2020/2021 session of executive Master "Management of energy projects" is:

- 13 500 € if financed by the Applicant
- 15 000 € if financed by the Employer (partner of the executive Master : Accuracy, Assystem, CGI, EDF, IFRADD, EGIS, Orano, Teréga)
- 16 500 € if financed by any other Employer.

These prices are exempt from VAT.

We advise candidates to make sure they have adequate funds to support one year of academic study as well as personal expenses. Average budget for living expenses is 1,120 euros/month (source UNEF, August 2021).

Please note :

The degree Mastère Spécialisé® (Executive Master) is an institutional degree accredited by the Conférence des Grandes Ecoles. It is not accredited by the French ministry of higher education.

The program is not registered at the RNCP. It is Datadock listed.

All incomplete application form will be rejected.
